TRADE PARTNERS
TEXTILES, POSITIONED WORLDWIDE.

SEVEN-DAY EXPORT INTELLIGENCE SPRINT

GLOBAL BUYER OPPORTUNITY AUDIT

For Pakistani textile manufacturers ready to approach global markets with greater clarity.

THE OUTCOME

A focused market-entry brief showing where to compete, how to position the offer and which buyer pathways deserve attention.

WHAT YOU RECEIVE

1 Export positioning review and capability gaps	2 Three priority-market hypotheses with rationale
3 25-30 relevant buyer organizations and pathways	4 Competitor and buyer-expectation observations
5 Personalized outreach messages and follow-up sequence	6 A practical 30-day market-entry action plan

TIMELINE

7 working days

PILOT INVESTMENT

PKR 75,000

PAYMENT

50% to begin

BEST FIT

Established or growth-stage textile manufacturers with export ambition, clear production capability and management involvement.

Important: This service provides research, positioning and outreach support. It does not guarantee purchase orders or tender awards.
